**Part C: Reading Comprehension:**

Donna Black is six years old. She is the daughter of a millionaire. On April 9 Donna went to school as usual. She always went by car. But that morning when she arrived at school, three men were waiting. When Donna opened the door of the car, the men caught her. They pushed her into another car and took her to an apartment. Then they telephoned her father. They asked him for 10 million dollars. They said, "Pay the money or we'll kill the girl." The police immediately began looking for little Donna. They worked day and night, but they found nothing.

Then eight days later, a woman found a bag in the street and took it to the police. The police found a note in the bag which asked for money from Donna's father. The bag belonged to one of the men. His address was inside. Quickly the police went to the apartment. They broke down the door and rushed in. They arrested three men and a woman. Then they found Donna in another room.
