Not every culture in the world eats every kind of meat. Nearly everybody enjoys chicken. One of the most famous type of chicken is Kentucky Fried Chicken. The man who started this business was not always a wealthy man.

At one time, he owned a small gas station next to a main highway. Many truck drivers stopped at his gas station and wanted to get gas and take a rest. They were very hungry because of driving for many hours.

Mr Sanders realized they were hungry. He began serving sandwiches and coffee .The sandwiches were good and cheap. More and more drivers began to eat at his place. So, his new business grew rapidly, but it did not last long. The highway department built a new highway and Mr. Sanders had to close the restaurant. This happened when he was 65 years old. He knew his method for Fried Chicken was good, so he went around the country trying to sell his idea of opening small restaurants that would specialized in Fried Chicken.
