

12

2. START BUTTON

Start Administrator

The screenshot shows the Windows Start menu interface. At the top left, there is a clock displaying '12'. The title '2. START BUTTON' is centered at the top. Below the title, the word 'Start' is on the left and 'Administrator' with a user icon is on the right. The main area contains a grid of application tiles, including Microsoft Edge, Mail, Photos, File Explorer, and several other system and application icons.
