

The screenshot shows a Zoom meeting in progress. The main window displays a PowerPoint presentation titled "Computer Parts Lesson 1 Grade 2 - PowerPoint". The slide content features a large image of a computer workstation with multiple monitors and towers, set against a pink and white striped background. The text "Computer Parts" is visible at the top of the slide. The Zoom interface includes a sidebar on the left with a list of participants and a main window showing the presentation content. The top of the screen shows the Zoom window title and standard OS taskbar elements.
