

What's left?

Remember

2D shapes are flat.

Vocabulary

shape, flat, 2D, circle,
triangle, square, rectangle,
side, curved, straight

4

Hint: Resource 3, page 54, will help with the names of the shapes.

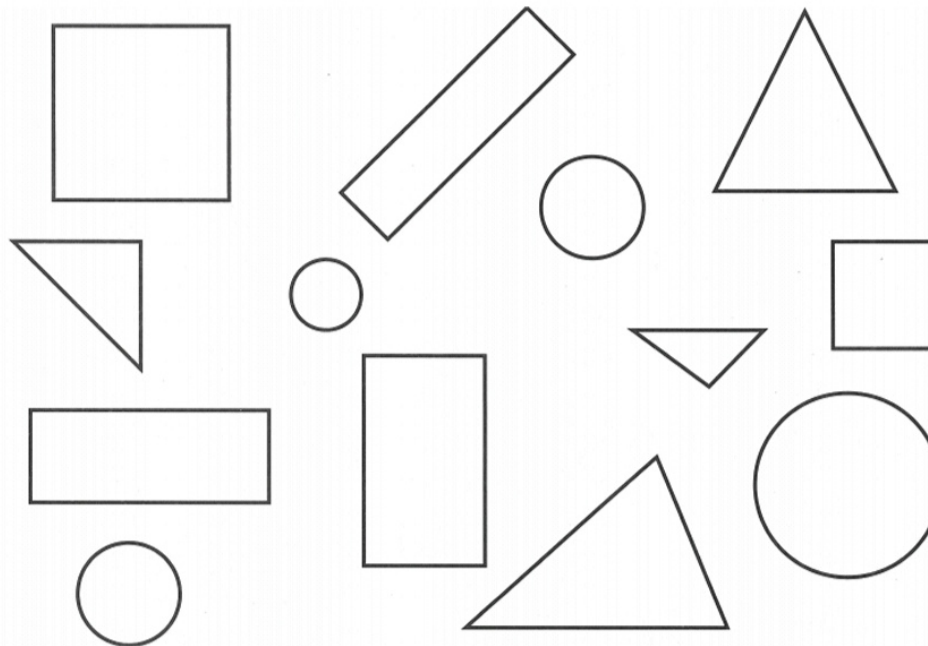

Tick (✓) each triangle.

Cross (X) each square.

Colour each circle.

Which shape is left?

_ e _ _ _ _ _

Tell a partner what you know about each shape.
How many sides does it have? Are they curved or straight?
