

# Telling the Time

## Step One

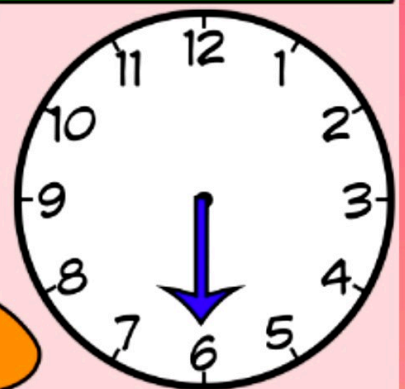

Hour Hand

3 = 3  
O'clock

Look at the SHORT hand.  
This is the Hours, if it is  
between two numbers, we  
use the lower number.

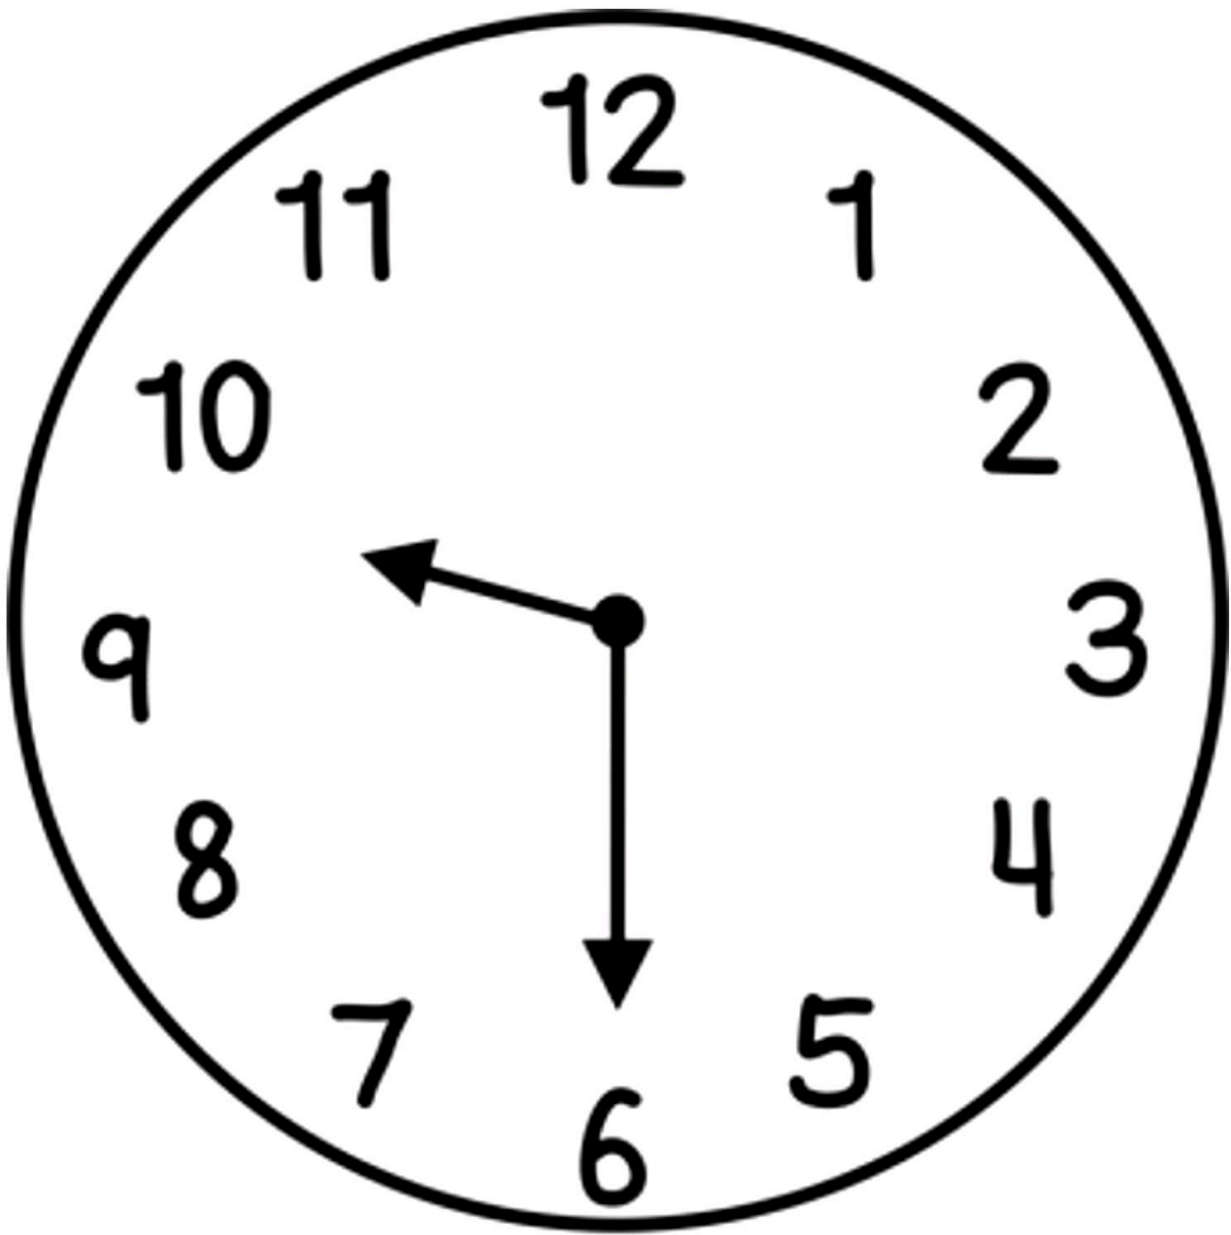

## Step Two

Minute Hand

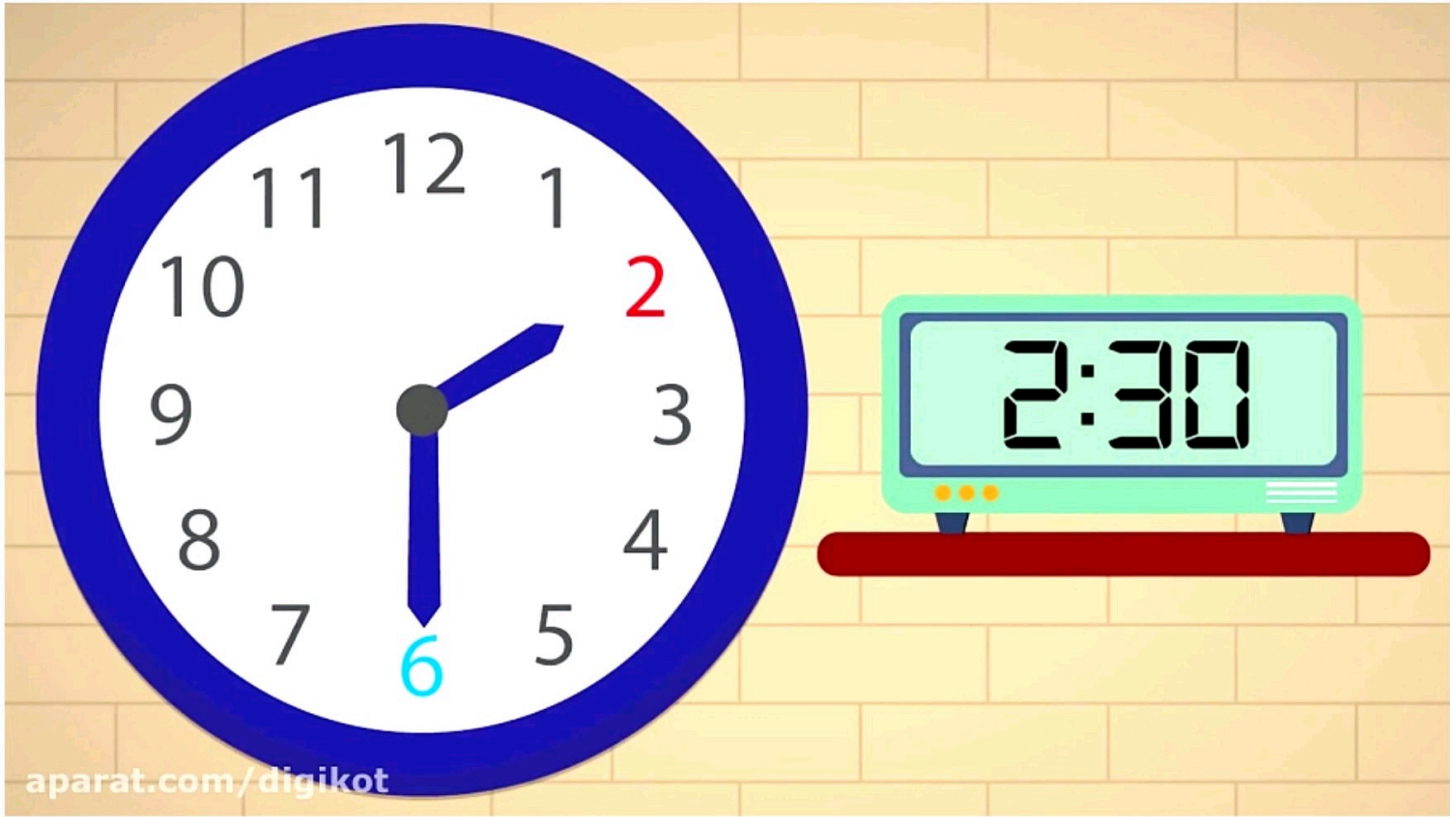

6 = 30  
Minutes

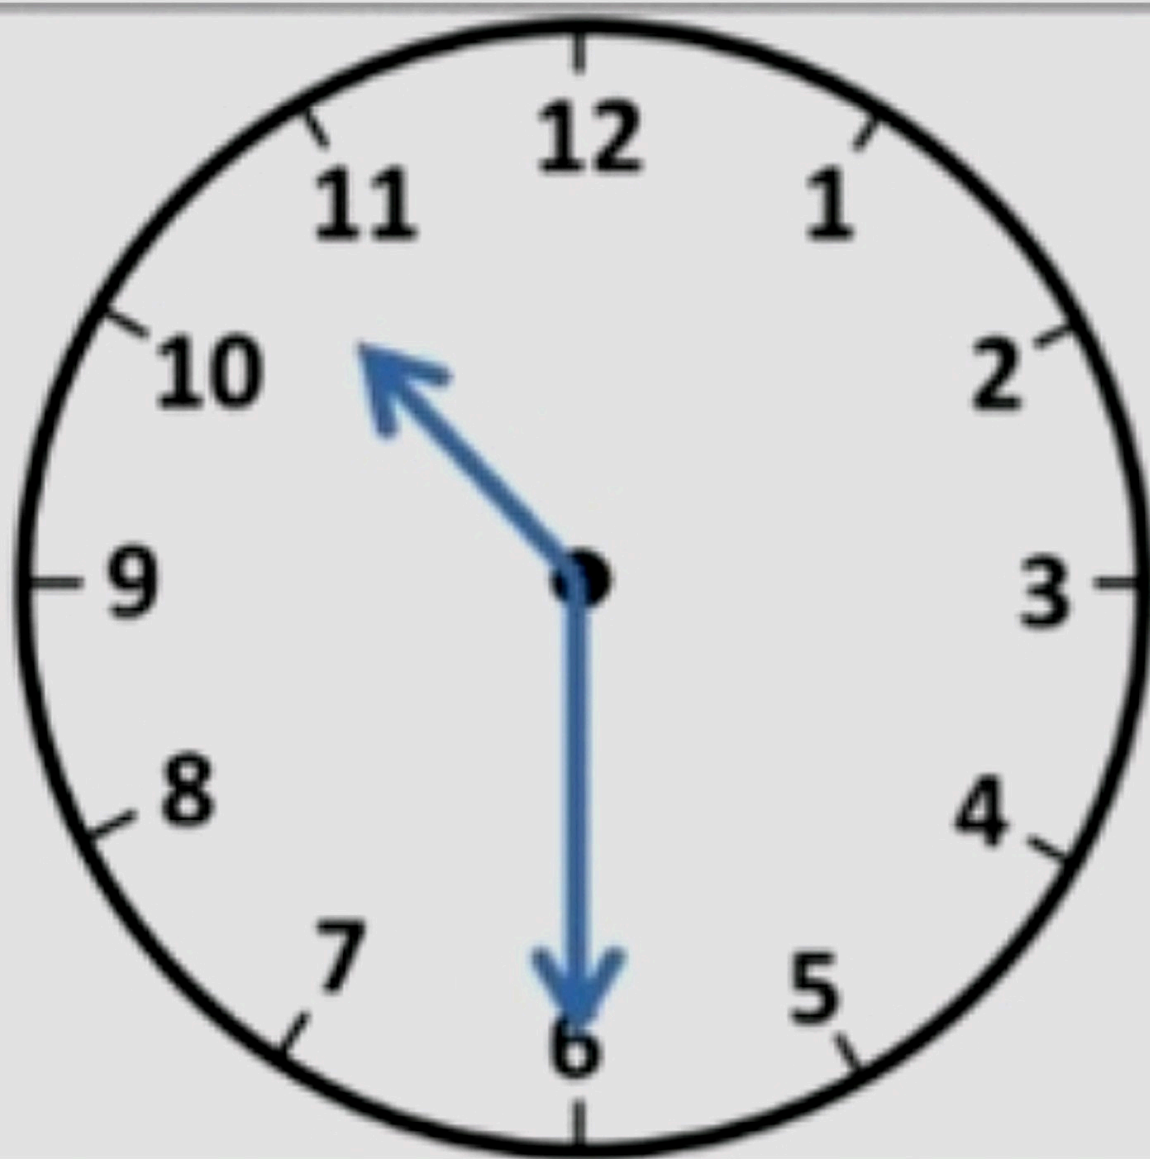

Look at the LONG hand  
This is the minutes, start  
at the top, and go up in 5's  
Eg. 1=5, 2=10, 3=15

**It is half past 9**

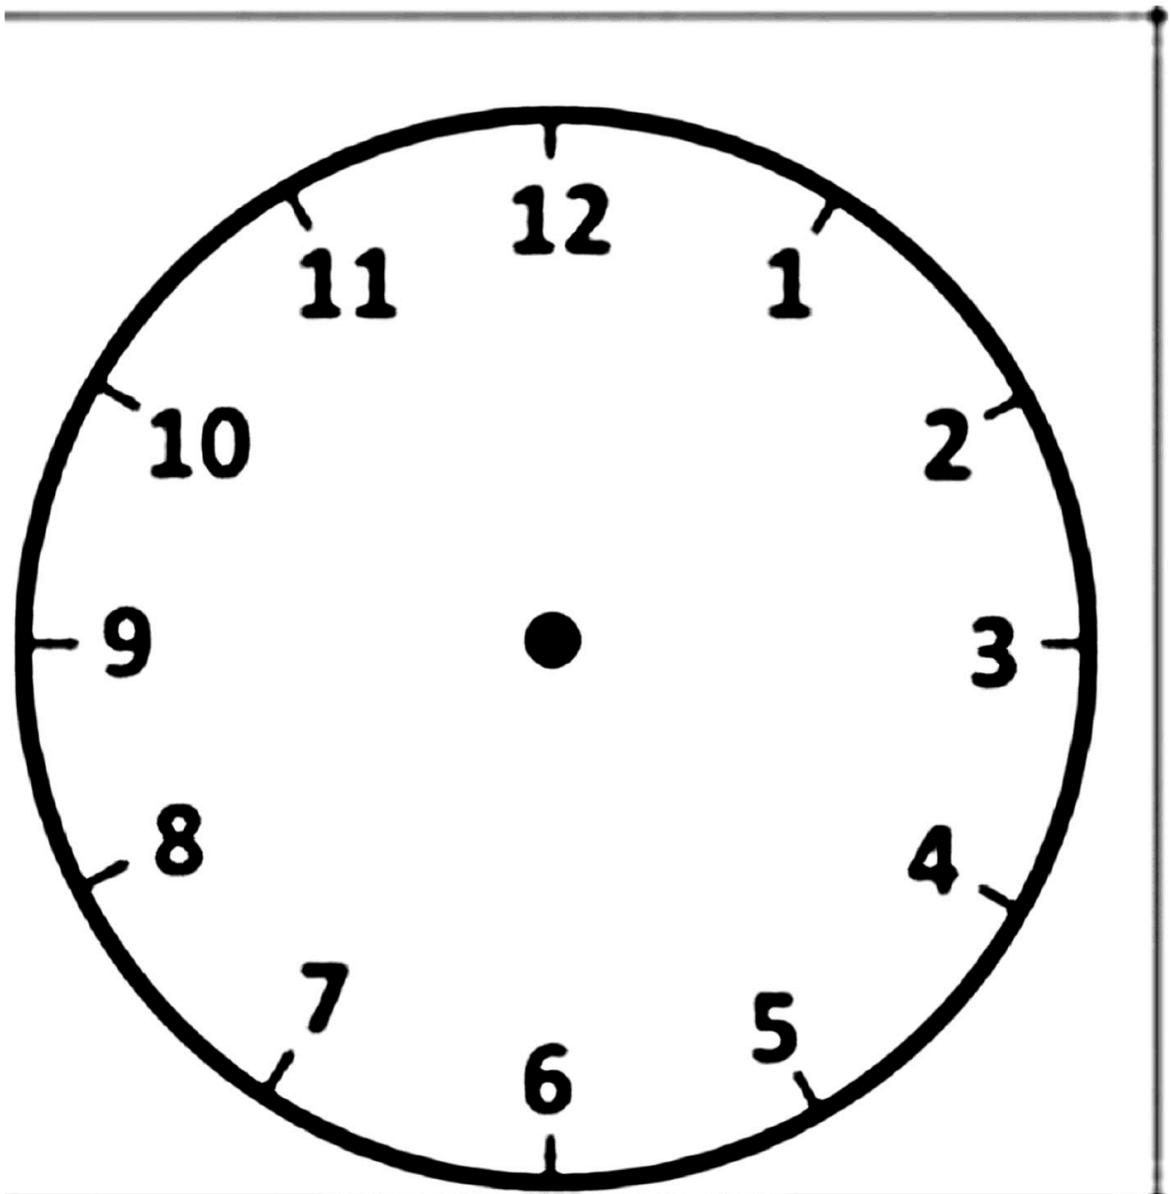

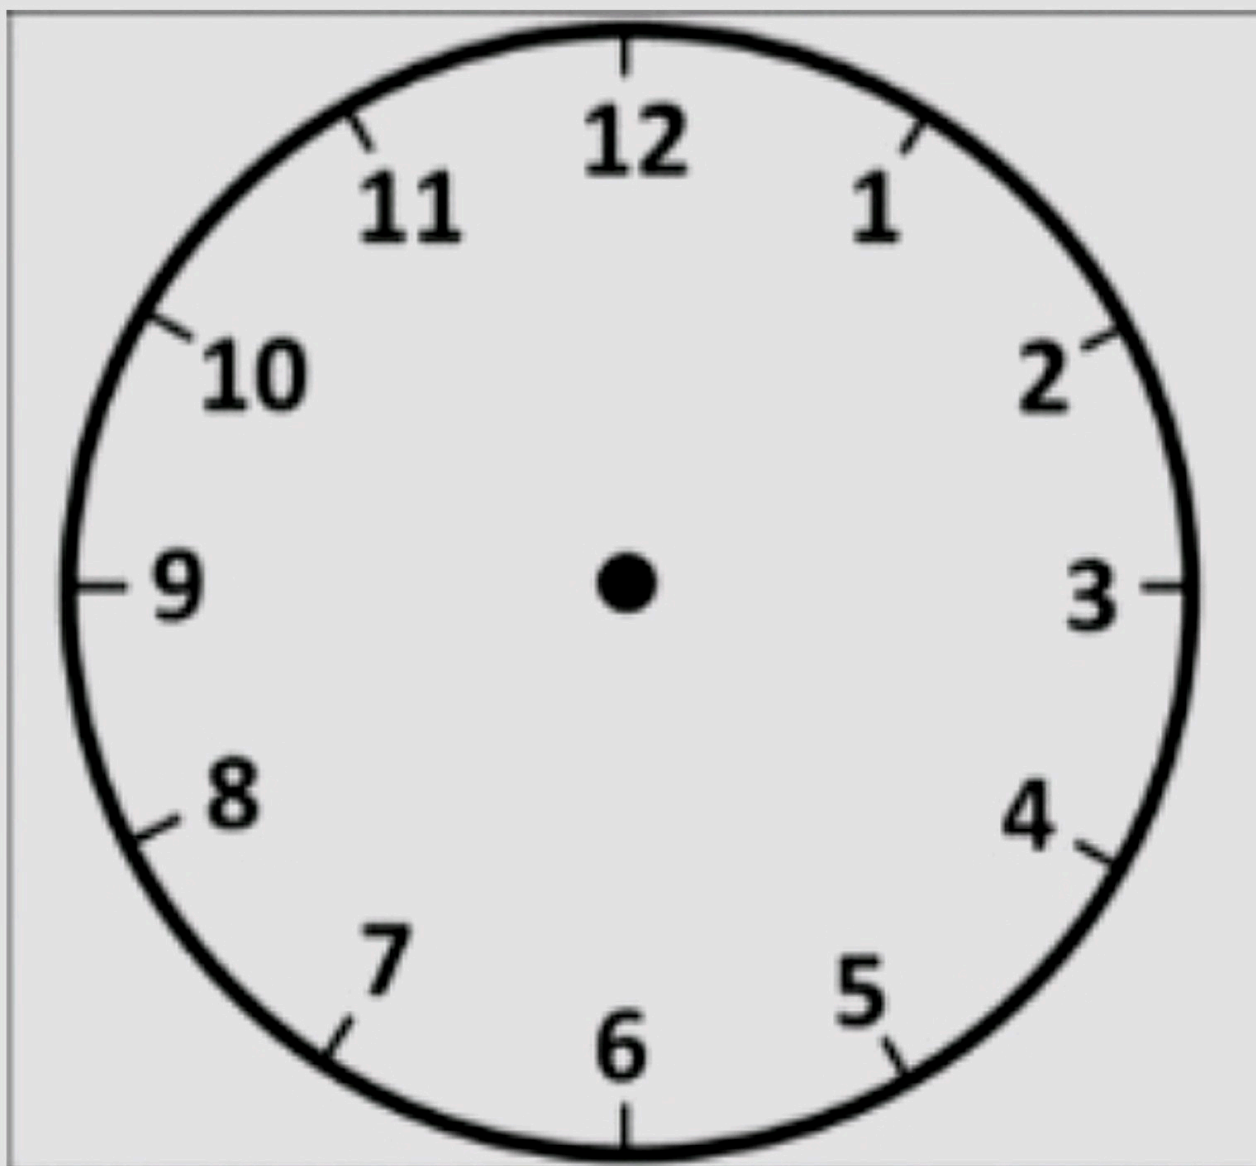

Half past \_\_\_\_

---

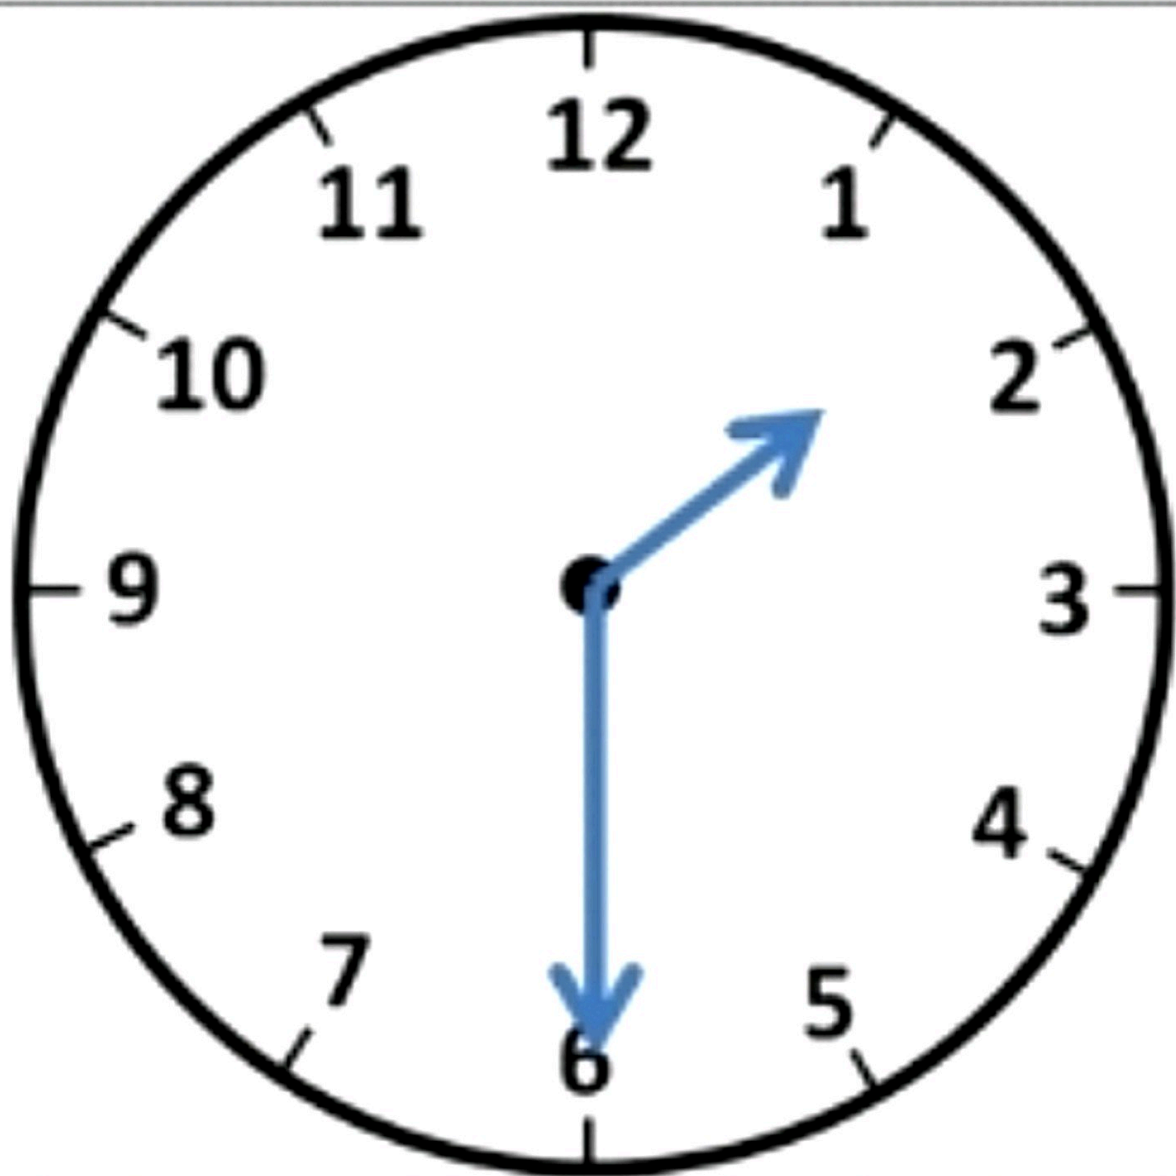

Half past 5

Half past 3

Half past \_\_\_\_\_
