

There are those who think that love comes
with a lifetime guarantee
But we know from those around us
that this may not always be
It's the simple things that come between
a father and a son
But when they try to talk
the knives are out before they have begun

Well that was me, and I have seen
the light that shines for eternity
Because I learned to say the words "I love you"

And this endless road that we are on
just keeps on going round
But there's one destination
that always is here to be found

So come with me, and you will see
the light that shines for eternity
Be strong and learn to say the words I love you
The words "I love you"
The words "I love you"
