

## French Song

Offer me ritz hotel suites

But not really

All your fancy chanel jewelry

It's not for me!

Offer me a limousine for vanity

Babadababadada

Give me my own personnel

But for what cause?

A mansion in Neufchatel

Just because

Offer me the Eiffel tower for some reason

Babadababadada

I want more love, more joy, more happy days

Cause it's not your money that makes me stay

Me, I'd rather die honestly

Let's go together, discover my liberty

And forget our misunderstandings

Welcome to my reality

I'm sick of all your manners

I do what I can  
But truthfully, it's just the way I am  
I talk too loud, eat with my hands

Excuse me!

Babadababadada

End your hypocrisy now

Get away from me!

Your two-faced lie that never end

I'm finally free

I hold no grudge; in truth, it's just

It's just me (2x)

Babadababadada

I want more love, more joy, more happy days  
Cause it's not your money that makes me stay

Me, I'd rather die honestly

Let's go together, discover my liberty

And forget our misunderstandings

Welcome to my reality
