

Je Veux

Offer me Ritz hotel suites

But not really

All your fancy Chanel jewelry

Not for me!

Offer me a limousine for vanity

Give me my own personnel

But for what cause?

A mansion in Neufchâtel

Just because!

Offer me the Eiffel Tower for some reason...

I want more love, more joy, more happy days

Cause it's not your money that makes me stay

Me, I'd rather die honestly

Let's go together, discover my liberty

And forget our misunderstandings

Welcome to my reality

Sick of all your manners

I do what I can

But truthfully, it's just the way I am

I talk too loud, eat with my hands

Excuse me!

Alavi

End your hypocrisy now

Get away from me!

Your two-faced lies that never end

I'm finally free

I hold no grudge

In truth, it's just

It's just me

Just me

I want more love, more joy, more happy days

Cause it's not your money that makes me stay

Me, I'd rather die honestly

Let's go together, discover my liberty

And forget our misunderstandings

Welcome to my reality

Je veux d'l'amour, d'la joie, de la bonne humeur

C'n'est pas votre argent qui f'ra mon bonheur

Moi, j'veux crever la main sur le coeur

Allons ensemble, découvrir ma liberté

Oubliez donc tous vos clichés

Bienvenue dans ma réalité
