Hi everyone! I'm at Fun Park right now! It's my favourite amusement park. I've been here five times before, and I love it! I've been on the big wheel and the log flume, and now I'm going to eat lunch with my parents. This afternoon, I want to go on the carousel and the paddle boats. I also want to go on the swing ride. I've haven't tried it before. It looks scary, but I think it will be fun!
