

* 4.1. Using calendars and timetables

Remember

30 days hath September,
April, June and November.

All the rest have 31,
except in February alone
which has but 28 days clear
and 29 in each leap year.

Write a date in the form:

 day, month for example 16th November.

 day, month, year for example 30th December 2016.

1. Use the calendar to answer these questions.

a) What day is 13th November?

.....

b) What is the date of the first Friday in the month?

.....

c) What is the date of the last Saturday of the month?

.....

d) The gym club meets the first and third Wednesday. What are the dates of the November meetings?

.....

November

Sun	Mon	Tue	Wed	Thu	Fri	Sat
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30
