

5.1. Tallying

Remember

Use tally marks to count things and keep records.

Throw a dice 10 times and record the numbers you throw.

Make a tally chart to record how many times each number on a dice is thrown.

Which number was thrown the most? How many times?

Number	Tally
2	
3	
4	
5	
6	

Use the tally chart to answer the questions in this quiz.

The graph shows the number of books collected by each student.

- (a) How many books does John have?
- (b) How many books does Philip have?
- (c) How many books do Kev and Vikie have together?
- (d) What is the total number of books?

	Books
John	
Clare	
Vikie	
Kev	
Philip	

Primary Mathematics

Make a tally chart to show the information below.

What is your favourite hobby?

 painting	 dancing	 football	 reading
 reading	 reading	 football	 painting
 football	 reading	 football	 reading
