

* 1.3. Number patterns

Remember

Even numbers make pairs. Odd numbers have one left over.

Count the number of circles and decide if it is an even number or an odd number.

- | | | |
|----|---|----------------------|
| Ex |  | 8..... even odd |
| 1 |  | even odd |
| 2 |  | even odd |
| 3 |  | even odd |
| 4 |  | even odd |
| 5 |  | even odd |
| 6 |  | even odd |
| 7 |  | even odd |
| 8 |  | even odd |
| 9 |  | even odd |
| 10 |  | even odd |
