+

6

.....

=

10

5

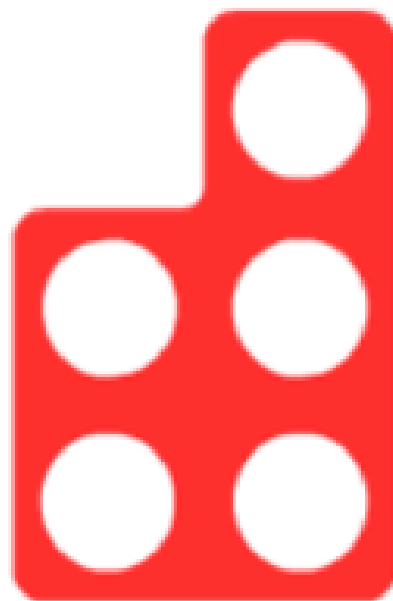

.....

+

5

.....

=

10

Here are
different
ways to
make 10.

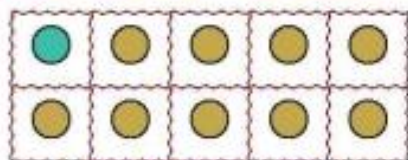

= 10		
0	+	10
1	+	9
2	+	8
3	+	7
4	+	6
5	+	5
6	+	4
7	+	3
8	+	2
9	+	1
10	+	0

1.5. Make 10

Use counters to make 10. Make 10 in a different way each time. Draw and colour your counters in the squares.

You will need: counters in two different colours and colouring pencils.

Hint: 9 + 1 and 1 + 9 are two ways of making 10.

$$1 + 9 = 10$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

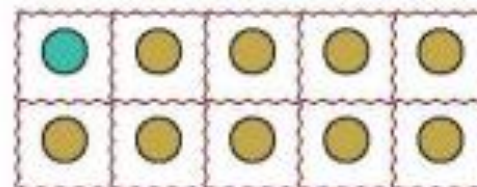

$$\square + \square = \square$$

1.5. Make 10

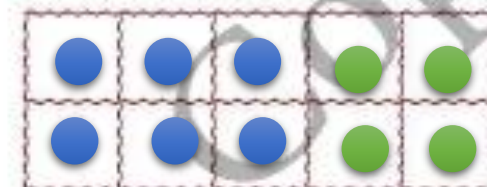

Use counters to make 10. Make 10 in a different way each time. Draw and colour your counters in the squares.

You will need: counters in two different colours and colouring pencils.

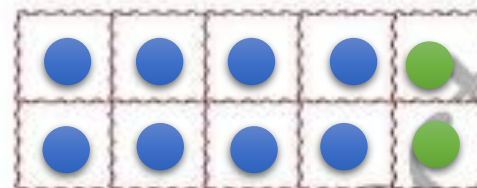

Hint: 9 + 1 and 1 + 9 are two ways of making 10.

$$1 + 9 = 10$$

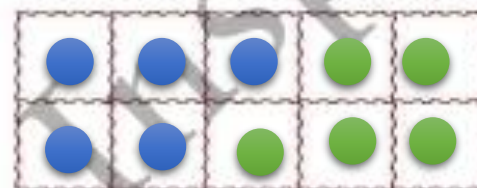

$$6 + 4 = 10$$

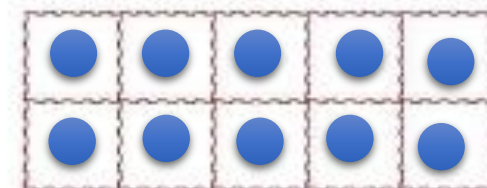

$$8 + 2 = 10$$

$$7 + 3 = 10$$

$$5 + 5 = 10$$

$$10 + 0 = 10$$
