Life 'on the road'

Life isn't always so amazing when you're famous! Rock and pop bands usually travel for a lot of the year. They go to different countries and don't see their families for a long time. A lot of famous singers agree that life 'on the road' isn't very exciting. There is a strict routine and it is often difficult.

Danny is a drummer for a UK band and he says that he is always tired. 'Every day is the same. I often don't know what city I'm in!' The band usually travel during the night and arrive at a hotel in the morning. Sometimes they are travelling for up to ten hours. They can't move, or get out or do anything. They sleep during the day, then they get dressed and have dinner. After that, they go to 'work'! The concert normally starts at 9 p.m. They often play until midnight. Then they leave the city to travel to the next city. They eat and sleep on the band's bus.

'We have to play a lot of concerts, because people don't buy CDs now. People download music, but artists don't get a lot of money from that. I enjoy the music, but I'm sad when I don't see my family. I hardly ever go to watch my children's school plays. I can't always watch them at their sports days.' But when Danny *is* at home, he *can* help them with their geography homework!

- 1 A lot of famous singers find touring difficult. ____
- 2 The band normally travel during the day before a concert. ____
- 3 Concerts usually finish at 9 p.m. ____
- 4 They spend a lot of time on the band's bus. ____
