Building

The school is in a big and modern building and it's very colourful. It has got big windows. It isn't dirty or ugly. There is also a really good gym and a swimming pool.

Classrooms

Every classroom has the latest technology, such as laptops and interactive whiteboards. The students usually speak to students in other countries by webcam.

Canteen

The canteen is fantastic. You can eat what you want and the food is very healthy. You can eat salads, healthy burgers and organic chips.

Surroundings

My dream school is in a park. There are lots of trees, a school garden and a small zoo. Students can feed and play with the animals.

My dream school

People

The teachers and students are really friendly and like going to school. The teachers aren't boring.

Timetable

Each day starts at 10.00. The classes are always interesting and students can study any subject they like, for example, music, art, dance or sport. It isn't a problem if you get bad marks.
