## Find a penfriend

Hi! My name is Adam. I'm sixteen years old and I live in Newcastle in the UK. I'm looking for a penfriend from any country in the world. Send me a message and tell me about yourself and your family. Also, could you please tell me why you are looking for a penfriend? Thanks - and I hope to hear from you soon!

What information does Dominik give?

Hi! My name's Dominik and I'm from the Czech Republic. I'm fifteen years old and live in Prague with my parents and my younger sister. I'm into football, and my sister's mad about horses.

I'd like to have an English penfriend because I'm studying English at school and would like to visit England one day. Would you mind telling me more about Newcastle? I know it's got a famous football team, but that's all! Do you enjoy living there?
