

There are those who think that love comes with a lifetime
guarantee

But we know from those around us, that this may not always
be

It's the simple things that come between a father and a son
But when they try to talk, the knives are out before they
have begun

Well that was me, and I have seen the light that shines for
eternity

Because I learned to say the words "I love you
And this endless road that we are on just keeps on going round
But there's one destination that always is here to be found
So come with me, and you will see the light that shines for
eternity

Be strong and learn to say the words "I love you
Be strong and learn to say the words "I love you," the words
"I love you

The words "I love you," the words "I love you
