

Believer

First things first

I'ma say all the words inside my head

I'm fired up, and tired of the way that things have been, oh-oo

The way that things have been, oh-oo

Second thing second

Don't you tell me what you think that I can be

I'm the one at the sail, I'm the master of my sea, oh-oo

The master of my sea, oh-oo

I was broken from a young age

Taking my sulking to the masses

Writing my poems for the few

That look at me, took to me, shook to me, feeling me

Singing

from heartache from the pain

Taking my message from the veins

Speaking my lesson from the brain

Seeing the beauty through the...

Pain

You made me a, you made me a believer, believer

Pain, you break me down, you build me up, believer, believer

Pain Oh,

let the bullets fly, oh, let them rain

My life, my love, my drive it came from...

Pain, you made me a, you made me a believer, believer

Third things third

Send a prayer to the ones up above All the hate that you've heard

Has turned your spirit to a dove, oh-oo

Your spirit up above, oh-oo

I was choking in the crowd

Building my rain up in the cloud

Falling like ashes to the ground

Hoping my feelings, they would drown

But they never did, ever lived, ebbing and flowing

Inhibited, limited, 'til it broke open and it rained down

It rained down like...

Pain, you made me a, you made me a believer, believer

Pain, you break me down, you build me up, believer, believer

Pain Oh,

let the bullets fly, oh, let them rain

My life, my love, my drive it came from...

Pain

You made me a, you made me a believer, believer

Last things last by the grace of the fire and the flames

You're the face of the future, the blood in my veins, oh-oooh

The blood in my veins, oh-oooh

But they never did, ever lived, ebbing and flowing

Inhibited, limited, 'til it broke open, and it rained down

It rained down like...

Pain

You made me a, you made me a believer, believer

Pain

You break me down, you build me up, believer, believer

Pain Oh, let the bullets fly, oh, let them rain

My life, my love, my drive it came from...

Pain, you made me a, you made me a believer, believer
