My best friend at school wanted to become an <sup>1</sup> \_\_\_\_\_ and work in the theatre or on television. But I just wanted to play in a band. I wanted to give lots of concerts and <sup>2</sup> \_\_\_\_\_ hundreds of albums!

I first got a guitar when I was about ten. I was quite good at playing that, but then started to play the <sup>3</sup> \_\_\_\_\_ when I was older, too. I liked that more. Mum plays the piano and Dad plays five different <sup>4</sup> \_\_\_\_\_! We sometimes practise all together. We all like listening to <sup>5</sup> \_\_\_\_\_ music but we often listen to classical music too.

Now, I'm in a band with three of my friends and we're becoming famous. Last week, we played at a music <sup>6</sup> \_\_\_\_\_ and on a TV show, and there are lots of photos of us on the internet. I love being a <sup>7</sup> \_\_\_\_\_!
