B

Spark

3 I'm 15 and a rapper. I record my songs and put them online. I get lots of hits! But I live in the countryside and there are no gigs here. It's too far for me to travel to the city. What can I do to become famous?

A

Shona

2 Hi, I play in a band with some friends from school. The others aren't serious about music, but I am. Help! Do I stay with the band or find other musicians to play with?

C

Why not make a music video too? Then it doesn't matter where you live. Ask your parents or someone from school if it's okay, and they can show you how to do it. Then you can upload the video to a social network like YouTube or Instagram. That's how Shawn Mendes became famous

You already write and perform your own songs. Great! Next step: record an album using computer software and post it online. You don't need a record deal. College courses are a really useful way to learn how to do this, and can give you other ideas too. Ask at your school.

Music is an important part of your life. Stay with your friends for the moment but think about going to a music school. These schools teach music and everything you need to know about becoming a musician. Talk to your parents about it. Good luck!

3 Are the sentences right (✓) or wrong (X)?

-  1 Pete sells CDs of his songs at his concerts.

STRANGE HOUSES

Most of us live in an apartment or in a house. Our homes often look similar to our neighbours' from the outside, but on the inside they can be very different. Most of us like our homes to be cosy and comfortable, but we have very different ideas about what that means. Some people like to have bright colours and lots of furniture, others prefer a cool, modern-looking home.

However, some houses look very unusual from the outside. Have a look at these four photos.

1 Do you like flying? Then, this attractive house is for you. It's in Lebanon and is the shape of a plane. It's got small windows, so it's not very light inside, but in a warm country, small windows keep a house cool in summer.

2 This very unusual house is in Mexico. It looks like part of the rock – and it is! The walls and the roof of the house are part of a very big rock. The family made the house more than 30 years ago. We can't see inside, but it looks quite dark, cool and peaceful.

3 In 1968, a group of swimmers first had the idea to build this tiny house on a rock in the middle of the River Drina in Serbia. It's not only small but, as you can see, it's also not easy to get there. In winter it can be quite cold, so people use it mostly in summer.

4 A Japanese company designed this football-shaped house in 2006. It's got 32 sides and four legs and can sit on top of water. It's very small but has big windows, so there is lots of light. What a great place to live!

1 What does the house in Lebanon look like?

2 Why are small windows important

in a warm country?

3 What is the Mexican house made of?

4 How old is the house?

5 What can you find in the middle of the River Drina?

6 When do most people use the house? Why?

7 What does the Japanese house look like?

8 Why is it very bright inside?

Visiting the *Libreria Acqua Alta* bookshop in Venice

Three young visitors tell us why they liked this unusual place

Elena

The bookshop belongs to Luigi Frizzo. His ideas for the shop are great. During the winter, the sea enters many of the buildings in Venice. But Luigi's books don't get wet because he keeps them in boats and baths instead of bookcases! And not all the books are for people to buy. Old textbooks and dictionaries are now pieces of furniture and art. There are also books on top of each other to make some stairs. I loved climbing up them to the roof and looking out over the city.

Rosie

Last May, I spent a week in Venice with my parents and walked around the city every day. One day, we saw the *Libreria Acqua Alta*, or 'High Water Bookshop' in English. Outside, it looked like other bookshops. We went in because I wanted a map. We then saw it was very different. It wasn't tidy, but was full of wonderful things: thousands of books and about ten friendly cats! This bookshop was my favourite place in Venice.

Christina

I visited *Libreria Acqua Alta* one morning in June and I loved it. Many visitors in the shop felt the same as me. I spoke to a lot, and they were not only tourists. Local families enjoy visiting the shop too because it is so different, and you can find every kind of book there. Luigi Frizzo owns the shop, and he was there that morning. He took me to see the building's fire exit. It was very funny – the door just opens onto the water!
