

PROJECT

A job offer

Work in small groups. Think of Saturday jobs. Write an offer for a job on Saturday mornings or Saturday afternoons.

- Think about the following:
 - what the job is
 - experience
 - morning or afternoon
 - number of hours
 - times
 - what you need to do
- Ask other groups questions about their job offers.
- Try to find someone from the other group for your Saturday job. Is anyone in the group a good person for the job? Why? / Why not?
- Tell the class about your job and who is/are a good person
