

I see this life, like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find

Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told

I feel something so right
Doing the right thing
And I feel something so wrong
Doing the wrong thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"

پس بیا با هر زیون
بخون عاشقونه کنارم تو هم بخون
فریاد بزن بگو
دوست دارم

And this endless road that we are on just keeps ongoing round
But there's one destination that always is here to be found
So come with me

با من بیا
You will see

تو هم ببین
The light that shines for eternity
Be strong and learn to say the words I love you

فریاد بزن بگو
دوست دارم

The words I love you
دوست دارم
The words I love you
