

Medley

Have you ever wondered; well, I have
About how when I say, say red, for example
There's no way of knowing if red
Means the same thing in your head
As red means in my head.
When someone says red
and how if we are traveling at, almost the speed of light
And we're holding a light
That light would still travel away from us
At the full speed of light, which seems right in a way
but what I'm trying to say, I'm not sure
But I wonder if inside my head
I'm not just a bit different from some of my friends
These answers come into my mind unbidden
These stories delivered to me fully written!

And when everyone shouts like they seem to like shouting
the noise in my head is incredibly loud
And I just wish they'd stop, my dad and my Mum
And the telly and stories would stop for just once
And I'm sorry, I'm not quite explaining it right
But this noise becomes anger and the anger is light
and its burning inside me would usually fade
But it isn't today
And the heat and the shouting
And my heart is pounding
And my eyes are burning
And suddenly everything, everything is...

Quiet

I see trees of green red roses too
I watch them bloom for me and for
you
And I think to myself what a wonderful world

Happy nation living in a happy nation
Where the people understand
And dream of the perfect man
situation lead to sweet salvation
For the people for the good
For mankind brotherhood

I praise Allah for sending me you my love
You found me home and sail with me
And I'm here with you
Now let me let you know
You've opened my heart
I was always thinking that love was wrong
But everything was changed when you came along
And there's a couple words I want to say
For the rest of my life
I'll be with you
I'll stay by your side honest and true
Till the end of my time
I'll be loving you
loving you

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
Cause we are the champions

When I get older I will be stronger
They'll call me freedom just like a waving flag
When I get older I will be stronger
They'll call me freedom just like a waving flag
So wave your flag
Now wave your flag
Now wave your flag

When we all give the power
We all give the best
Every minute of an hour
Don't think about a rest
Then you all get the power
You all get the best
And everyone gives everything
And every song everybody sings
Live is life

Tonight the super troupers lights are gonna find me
Shining like the sun (super trouper)
Smiling, having fun (super trouper)
Feeling like a number one
Tonight the super troupers beams are gonna blind me
But I won't feel blue (super trouper)
Like I always do (super trouper)
'Cause somewhere in the crowd there's you

I see this life, like a swinging vine
Swing my heart across the line
in my face is flashing signs
Seek it out and ye shall find
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told
I feel something so right
Doing the wrong thing
And I feel something so wrong
Doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive
Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"

ببین چشمایی رو که گشتن

پی نوری موندگار

از عشق و بلور

باید که آخر

بشن لبریز دلامون

یه روزی هر جا

پُر بشه دنیا

از طنین صدامون

پس بیا

با هر زیبون

تو هم بخون

بخون عاشقونه کنارم

فریاد بزن بگو دوستت دارم

And this endless road that we are on just keeps ongoing round

But there's one destination that always is here to be found

So

come with me

با من بیا

You will see

تو هم ببین

The light that shines for eternity

Be strong and learn to say the words I love you

فریاد بزن بگو

دوست دارم

The words I love You

دوست دارم

The Words I love You
