

I really like watching tv.  
I love reading books.  
I'm into cycling.  
I'm interested in ....  
I like ....

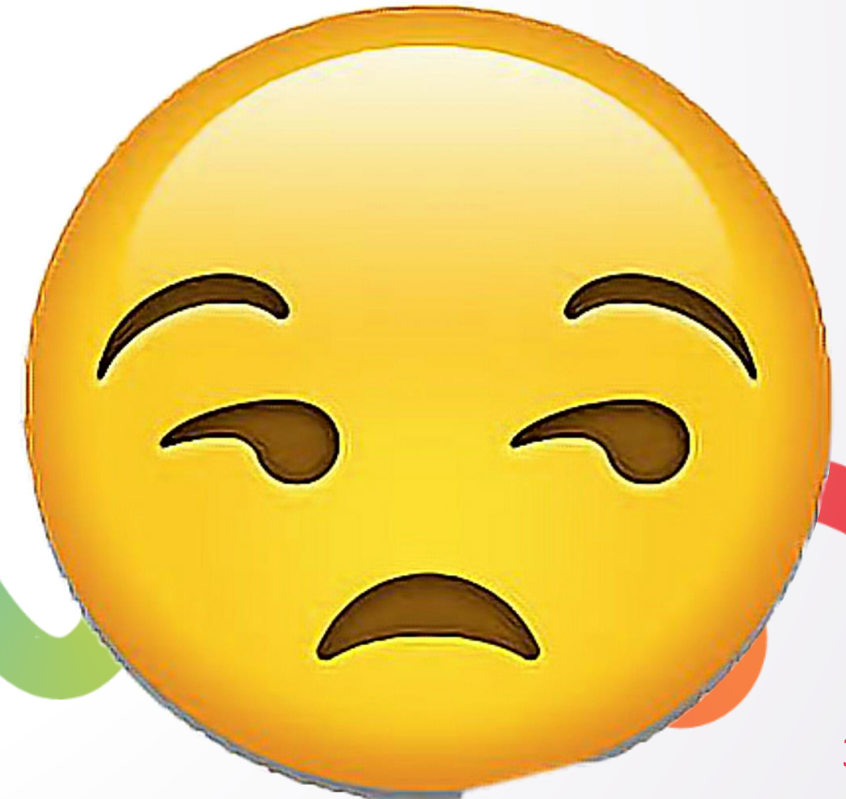

I really hate watching tv.

I'm not into cycling.

I'm not interested in reading books.

I don't like ....

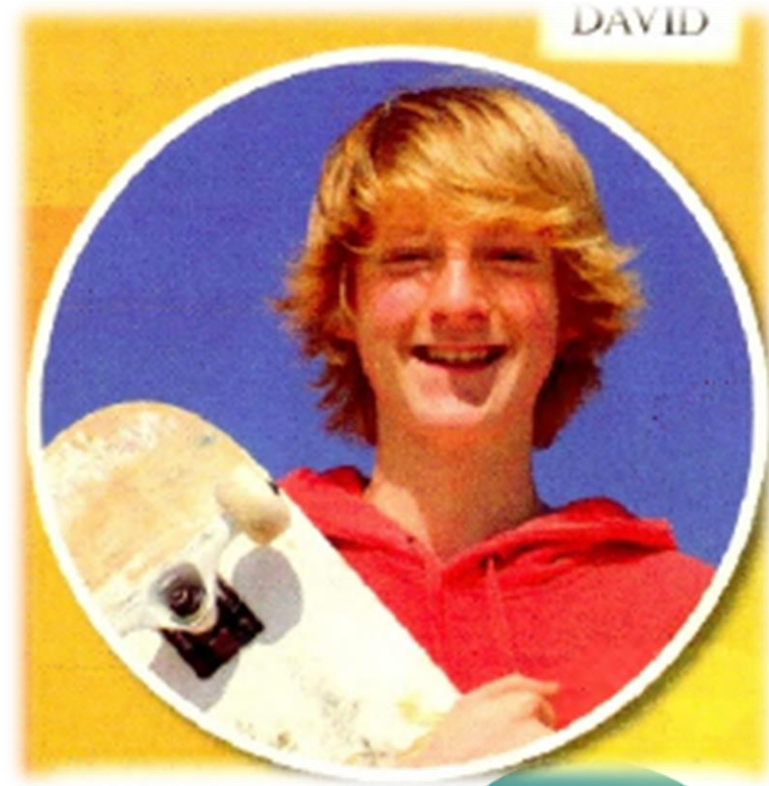

Now it's your  
turn.

**What are  
you into?**

# Interests

ALEXIA

I love pop music and I've got a lot of CDs. My friends are mad about Black Eyed Peas, but I can't stand hip hop. I really like sport, especially volleyball and tennis, but I hate cycling. One of my interests is art, but I'm not very good at it!

# To be **mad about** something

to **like** someone or something very much

I'm mad about music.

She is mad about studying math.

# Can't stand

used to say that you **do not like someone or something** at all

I can't stand the class. It's so boring.

# Can't stand

to like someone or something very much

I'm mad about music.

She is mad about studying math.

What kinds of music does she like?

Does she like Black Eyed?

What sports does she like?

Is she good at art?

See you
