### **Friends and hobbies**

My name's Tom. My favourite hobby is meeting friends. My friends are Hasan and Lucy.

Hasan and I both like sports, especially football and basketball. When we haven't got any homework, we play basketball after school. Hasan's brothers are really good at this sport. When they've got time, they play with us.

Lucy isn't into sport. She prefers playing computer games or watching TV, and she's got a hundred DVDs. She's mad about films, but she hasn't got a favourite actor or actress. She loves them all! Hasan and I like films, too, especially science fiction films. But our favourite films are about sport!
