Hi Christa,

Thanks for your email about your family.

My home is in Cheltenham, a town in the west of England. It isn't very big, but there's a lot to do here. It's got interesting shops and some cool restaurants and cafés. There's a music festival in the summer, a book festival in October, and there's a science festival, but I don't know when that is! There's also a famous horse race, and that's always in March.

My family isn't very big. I've got one brother and one sister. My brother is very tall and a lot of fun. He's very chatty and sporty. He's got a job in Wales. My sister is quiet and very nice. She's at university in Scotland. I'm at home with my parents. I've got lots of friends and interests, so life is never boring.

My bedroom is small, but I like it. There's a big, comfortable bed and a white rug, and an old bookcase. I haven't got any books in my room – there are games and magazines in the bookcase.

Come and visit soon!
