

Song: Don't let me down

Alavi

Level: Pre-Intermediate- Intermediate

Crashing, hit a wall

Right now I need a miracle

Hurry up now, I need a miracle

Stranded, reaching out

I call your name, but you're not around

I say your name, but you're not around

I need you, I need you, I need you right now

Yeah, I need you right now

So don't let me, don't let me, and don't let me down

I think I'm losing my mind now

It's in my head, darling, I hope

That you'll be here when I need you the most, so

Don't let me, don't let me, don't let me down, don't let me down, Don't let me down, Don't let me down,

Don't let me down, don't let me down, down, down

R-r-running out of time

I really thought you were on my side

But now there's nobody by my side

I need you, I need you, I need you right now

Yeah, I need you right now

So don't let me, don't let me, don't let me down

I think I'm losing my mind now

It's in my head, darling, I hope

That you'll be here when I need you the most, so

Don't let me, don't let me, don't let me down D-don't let me down Don't let me down

Don't let me down, down, down Don't let me down, down, down Don't let me down, down, down

Oh, I think I'm losing my mind now, yeah (yeah)

Oh, I think I'm losing my mind now, yeah (yeah)

I need you, I need you, I need you right now

Yeah, I need you right now

So don't let me, don't let me, don't let me down

I think I'm losing my mind now

It's in my head, darling, I hope

That you'll be here when I need you the most, so

Don't let me, don't let me, don't let me down Don't let me down

Yeah, don't let me down

Yeah, don't let me down

Don't let me down, oh no

Said, "Don't let me down"

Don't let me down, no

Don't let me down

Don't let me down, down, down
