One of the most amazing ideas in the report is that we will take our own homes with us on holiday! This may mean that people won't use hotels in the future. In your blog, you say that eSports should never be part of the Olympics. You think eSports are not really sports because you don't have to be fit to do them.

I don't agree. It's not true that you don't have to be fit. eSports gamers have to play for many hours without any breaks. The best players eat healthily and do exercise every day. eSports should be part of the Olympics!
