

- 1 Look at the pictures. Correct the information in the sentences. Sometimes there is more than one possible correct answer.

- 1 Leonard's going to do judo after school.

- 2 Emma and Bill are going to go cycling at the weekend.

- 3 Martina's going to cook dinner when she gets home.

- 4 Mum and Dad are going to do yoga in the morning.

- 5 You're going to visit your grandparents next month.

- 6 I am going to do karate on holiday next year.

## Student A

- 1 Read the text about the World Student Games and complete the questions below using *will*.

<sup>1</sup> \_\_\_\_\_, over 9,000 athletes from 170 countries will come to our city to take part in the World Student Games. The Games will last for <sup>2</sup> \_\_\_\_\_ and athletes will try and win medals in fourteen different sports. The athletes, who are all <sup>3</sup> \_\_\_\_\_ but who won't all be the same age, will train for many months before the Games. Some will play sports like <sup>4</sup> \_\_\_\_\_, while others will run, swim, fight or do gymnastics. But they won't do <sup>5</sup> \_\_\_\_\_.

The Games will take place in <sup>6</sup> \_\_\_\_\_ different places across the city. The athletes won't live close to these places because there isn't any space.

They will travel every day to the Games on <sup>7</sup> \_\_\_\_\_. Lots of young people from our city will help them. The organisers think that over <sup>8</sup> \_\_\_\_\_ people will visit the city to watch the Games. It will be the biggest event in our city for over ten years.

- 1 When / the athletes / come to our city ?
- 2 How long / the Games / last for ?
- 3 Who / the athletes / be ?
- 4 What sports / they / play ?
- 5 What / they / not do ?
- 6 How many / different places / the Games / take place in ?
- 7 How / the athletes / travel / to the Games ?
- 8 How many / people / visit the city ?

## Student B

- 1 Read the text about the World Student Games and complete the questions below using *will*.

Next summer, over <sup>1</sup> \_\_\_\_\_ athletes from 170 countries will come to our city to take part in the World Student Games. The Games will last for twelve days and athletes will try and win medals in <sup>2</sup> \_\_\_\_\_ different sports. The athletes, who are all students but who won't all be <sup>3</sup> \_\_\_\_\_, will train for many months before the Games. Some will play sports like football, tennis or volleyball, while others will run, swim, fight or do <sup>4</sup> \_\_\_\_\_. But they won't do more than one sport each.

The Games will take place in 70 different places <sup>5</sup> \_\_\_\_\_. The athletes won't live close to these places because <sup>6</sup> \_\_\_\_\_. They will travel every day to the Games on special buses. Lots of <sup>7</sup> \_\_\_\_\_ from our city will help them. The organisers think that over 100,000 people will <sup>8</sup> \_\_\_\_\_ to watch the Games. It will be the biggest event in our city for over ten years.

- 1 How many / athletes / come to our city ?
- 2 How many / different sports / be ?
- 3 What / the athletes / not be ?
- 4 What sports / they / do ?
- 5 Where / the Games / take place ?
- 6 Why / the athletes / not live / close to Games ?
- 7 Who / help / the athletes ?
- 8 What / the organisers / think / over 100,000 people / do ?
