

1 **SPEAKING** Describe the photo. How often do you tidy and clean your bedroom?

The background features abstract, painterly shapes in shades of light orange, peach, and cream. Some shapes have small, dark brown dots scattered on them, resembling a pattern or texture. The overall aesthetic is soft and artistic.

This is a bedroom of a teenager girl. She is sitting on her bed and using her laptop.

- 2  4.09 Read and listen to three teenagers talking about household chores. Who helps most with the housework: Marvin, Harriet, or James? Who helps least?

@Marvin How do I help round the house? I'm afraid I don't do much housework, actually. I occasionally do the hoovering, but I have to do a lot of homework every evening. It takes ages, so I haven't got time for much housework.

@Harriet My mum is a single parent, so my sister Emma and I try to help her with the housework. We make our beds every morning. Then after we've had breakfast, I usually do the washing up. At the weekend, Emma often does the cleaning while mum and I take the bus into town and do the shopping.

@James I do my best to help with the housework, but it's difficult to find the time. I tidy my bedroom once a week and I sometimes take the rubbish out or help mum to make the dinner. My brother, Max, has a lot of arguments with our parents about housework. He does nothing to help.

1-what house work does Marvin do?

2-why doesn't Marvin help much?

3-when does Harriet usually do the washing up?

4-what two jobs does James do?

5-What does Max do a lot?
