I play football every autumn and winter in the rain, wind and snow. The cold weather doesn't stop me!

Kellie, 13, Southampton

I feel bad when it rains in the holidays. I like doing things outside. I don't want to stay inside reading or watching TV. And you can't go to the cinema every day – it's too expensive.

Libby, 12, Newport

I love sports but it's harder to do them outside in winter. I play tennis in the summer and spring but not in winter. I often go swimming with my friends on Saturdays in winter.

Rain is just water – it's not a problem. I put on a coat and I go outside. It's fun!

David, 13, Suffolk

I have a horse and I ride it every day – in the winter and in the summer. Cold weather's not a problem, but we don't like the wind! It's not nice!

Ethan, 11, London

No, I don't like hot sun at all – my favourite kind of weather is snow. It's much better to play in.

Sad! I want to go on a day out with my parents and my brother, but we can't go because it's raining.

Sarah, 14, Derby

Of course! I love the sun. It's my favourite kind of weather. I feel happier when it's warm. I love going to the pool with my friends. When I'm on holiday, I spend time at the beach and swim in the sea.
