Battuta wrote about his travels when he was an old man.

Ferdinand Magellan was born in Portugal in 1480. His parents were rich, but they died when Magellan was young. In 1505, he became a sailor and travelled to Africa and India. In 1519, he left Spain with five ships and crossed the Atlantic Ocean. The journey was very dangerous and they arrived in the Philippines about 18 months later. Only one ship returned to Spain.
