

# WORLD FOOD DAY

# *Pizza*

**Italy**

# *Doner Kebab*

**Turkey**

# *Sushi*

**Japan**

# Tandoori

A close-up photograph of a plate of tandoori chicken. The chicken pieces, including drumsticks and thighs, are roasted to a deep red-orange color with charred skin. They are garnished with fresh green herbs and served on a bed of sliced onions. The plate is dark-colored, and the background shows other dishes, including what appears to be a bowl of rice and a small white bowl.
