

In small groups, plan a party to surprise a friend.

Think about:

- ✓ Who the party is for
- ✓ When the party is
- ✓ Where the party is
- ✓ What food and drink you want
- ✓ What you need to do
- ✓ What you need to buy
- ✓ What music to play
- ✓ What activities you can do at the party
- ✓ Design an invitation for your party.
- ✓ Present your invitation to the class.
