

I praise Allah for sending me you my love  
You found me home and sail with me  
And I'm here with you  
Now let me let you know  
You've opened my heart  
I was always thinking that love was wrong  
But everything was changed when you came along  
And there's a couple words I want to say  
For the rest of my life  
I'll be with you  
I'll stay by your side honest and true  
Till the end of my time  
I'll be loving you... loving you

2

I've taken my bows  
And my curtain calls  
You brought me fame and fortune  
And everything that goes with it  
I thank you all  
But it's been no bed of roses  
No pleasure cruise  
I consider it a challenge before  
the human race  
And I ain't gonna lose  
And we mean to go on and on and on and on  
We are the champions, my friends  
And we'll keep on fighting till the end  
We are the champions  
We are the champions  
No time for losers  
'Cause we are the champions of the World  
When I get older I will be stronger  
They'll call me freedom just like a waving flag  
When I get older I will be stronger  
They'll call me freedom just like a waving flag  
So wave your flag, now wave your flag  
Now wave your flag

When we all give the power  
We all give the best  
Every minute of an hour  
Don't think about a rest  
Then you all get the power  
You all get the best  
And everyone gives everything  
And every song everybody sings  
Live is life

Tonight, the super trouser lights are gonna find me  
Shining like the sun (super trouser)  
Smiling, having fun (super trouser)  
Feeling like a number one

Tonight, the super trouser beams are gonna blind me (super trouser)  
But I won't feel blue (super trouser)  
Like I always do (super trouser)  
'Cause somewhere in the crowd there's you

I see this life, like a swinging vine  
Swing my heart across the line  
And in my face is flashing signs  
Seek it out and ye shall find

Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
On just doing what we're told

I feel something so right  
Doing the right thing  
And I feel something so wrong  
Doing the wrong thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that kills me makes me feel alive

Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard  
Said, "No more counting dollars, we'll be counting stars"

پس بیا با هر زبون  
بخون عاشقونه کنارم تو هم بخون  
فریاد بزن بگو  
دوست دارم

And this endless road that we are on just keeps ongoing round  
But there's one destination that always is here to be found  
So come with me

با من بیا  
You will see  
تو هم ببین

The light that shines for eternity  
Be strong and learn to say the words I love you

فریاد بزن بگو  
دوست دارم

The words I love you  
دوست دارم  
The words I love you
