

Comparative vs. Superlative

The Comparative is normally used if you want to compare **two** things, people, etc:

- When we compare using **short words** (one or two syllables), we add **-er + than** at the end of the adjective.

Ex.

- He is taller **than** me.

- My car is cheaper **than** your car.

➤ If an adjective ends in **one vowel + consonant**

(a,e,i,o,u) (b,c,d,f,g,h,j,k,l,m....)

we **double** the consonant and add **-er**

- big - bigger
- hot - hotter
- thin - thinner
- fat - fatter

➤ If an adjective ends with a **-y**, we change it to **-i** and add **-er**

- happy - happier
- funny - funnier
- easy - easier
- ugly - uglier

➤ When we compare 2 things or people using **long words** (three or more syllables), we add

more + adjective + than

- Maria is **more** beautiful (adj) than Jennifer.
- This book is **more** interesting than that book.

❖ **Irregular words change:**

good = better

bad = worse

far = further

little = less
