WRITING

1 Read the text. Answer the questions.

I love the weekend! It's my favourite time of the week because I don't have to go to school. I do a lot of things with my friends at weekends. We have lunch in a café on Saturdays. We go shopping or go to a museum in the afternoon. And we sometimes like going to concerts or the cinema on Saturday evenings.

But the weekend isn't all about my friends. It's a very important time for my family, too. On Saturday mornings we all have breakfast together. We talk about the week and our plans for the weekend. Dad makes pancakes and everyone loves them!

On Sundays we always go out for lunch to a nice restaurant in town. We usually go to an Italian place, but sometimes we try somewhere different. I enjoy these lunches with my family.

On Sunday evenings we often sit down together in the living room and watch a film. It can take a long time to choose a film! Dad likes films that make him laugh, Mum likes films about history and my brother and I prefer films about science and life in the future!

- 1 When does Mia go to museums with her friends?
- 2 What does Mia like doing on Saturday evenings?
- 3 What does Mia's family eat for breakfast on Saturday mornings?
- 4 Does Mia's family always eat at the same Italian restaurant on Sundays?
- 5 What does Mia's family do on Sunday evenings?

2 Write about your family's weekend. Use the text in Exercise 1 to help you.
