

SUMMER FESTIVAL UNDERWATER EXPLORATION

Creative Ideas to Build – Age 13+

1 MINI SUBMARINE

Build a mini submarine using plastic bottles, cardboard and paint. Add details like windows, propellers and lights!

2 UNDERWATER RESEARCH STATION

Design an underwater base where scientists can live and study. Use cardboard, paper and recycled materials.

3 ROV – REMOTE OPERATED UNDERWATER VEHICLE

Create an underwater robot that explores the deep sea. Use cardboard, motors (optional) and safe recycled parts.

4 CORAL REEF ECOSYSTEM

Build a beautiful coral reef model with sea creatures. Show the importance of protecting marine life.

5 DEEP SEA EXPLORER SUIT

Make a deep sea diving suit using cardboard, foil, bottles and creativity. Imagine you're an explorer!

6 OCEAN POLLUTION AWARENESS MODEL

Create a model showing ocean pollution and how we can stop it. Use creative materials and strong messages.

7 TREASURE CHEST FROM THE DEEP

Build a treasure chest filled with 'treasures' found in the ocean. Decorate it creatively!

8 GIANT SQUID OR SEA CREATURE

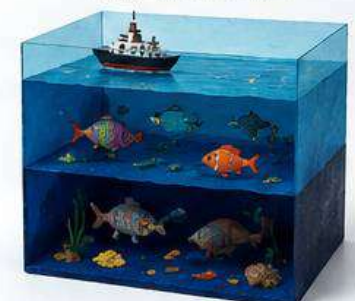

Design a giant sea creature using paper mache, cardboard or clay. Let your imagination dive deep!

9 UNDERWATER Lighthouse

Create an underwater lighthouse that guides submarines in the deep sea. Add lights for extra effect!

10 3D OCEAN LAYER MODEL

Show the different layers of the ocean and the creatures that live in each zone. Get creative!

Use recycled materials, be creative and think like real explorers!

EXPLORE. CREATE. INSPIRE.

10 OCEAN PROJECT IDEAS

Creative Crafts to Explore the Ocean!

1 Ocean in a Box

Create an underwater scene in a box.

2 3D Ocean Layers

Show different ocean zones in layers.

3 Ocean Animal Paper Plate

Make your favorite sea animal!

4 Coral Reef Model

Build a colorful coral reef with clay or recycled materials.

5 Ocean Mobile

Make a hanging mobile with ocean creatures.

6 Sea Creature from Recycled Materials

Use recycled items to create a sea animal.

7 Ocean Biome Poster

Make a poster showing different ocean biomes.

8 Aquarium in a Jar

Create a mini ocean in a jar!

9 Pop-up Ocean Book

Make a pop-up book about the ocean and its creatures.

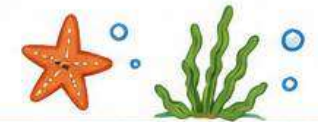

10 Ocean Diorama

Build a 3D ocean scene in a diorama box.

MORE OCEAN PROJECT IDEAS

1 Ocean Biome in a Shoebox

Pick an ocean zone and show its animals and plants.

2 Ocean Survival Kit

Pack the items a sea animal needs to survive and explain why.

3 Moving Ocean Diorama

Make sea animals move using strings or sticks.

4 3D Food Chain Model

Build a 3D model to show the ocean food chain.

5 Ocean Ecosystem in a Bottle

Create a mini ocean ecosystem in a bottle.

6 Build Your Own Sea Creature

Name: Glowster
Habitat: Deep Ocean
Food: Small Fish
Special Skill: Glows in the dark!

Design a new sea creature and present its information.

7 Ocean Lapbook

Make a lapbook with facts about the ocean.

8 Coral Reef Model

Create a coral reef using clay, sponges or recycled materials.

9 Ocean Pollution Before & After

Show the difference between a clean ocean and a polluted one.

10 Sea Animal Puppet

Make a sea animal puppet and give a 1-minute introduction.

11 Ocean Layers Tower

Show the ocean layers from top to bottom.

12 Treasure Chest

Make a treasure chest and fill it with ocean fact cards.

13 3D Ocean Map

Build a 3D map of the ocean and its landforms.

14 Aquarium from Recycled Materials

Use recycled materials to build your own aquarium.

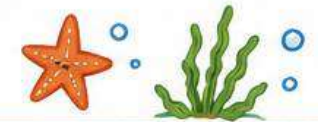

15 Ocean Board Game

Design a board game about the ocean and its creatures.

MORE OCEAN PROJECT IDEAS

1 Ocean Biome in a Shoebox

Pick an ocean zone and show its animals and plants.

2 Ocean Survival Kit

Pack the items a sea animal needs to survive and explain why.

3 Moving Ocean Diorama

Make sea animals move using strings or sticks.

4 3D Food Chain Model

Build a 3D model to show the ocean food chain.

5 Ocean Ecosystem in a Bottle

Create a mini ocean ecosystem in a bottle.

6 Build Your Own Sea Creature

Name: Glowster
Habitat: Deep Ocean
Food: Small Fish
Special Skill: Glows in the dark!

Design a new sea creature and present its information.

7 Ocean Lapbook

Make a lapbook with facts about the ocean.

8 Coral Reef Model

Create a coral reef using clay, sponges or recycled materials.

9 Ocean Pollution Before & After

Show the difference between a clean ocean and a polluted one.

10 Sea Animal Puppet

Make a sea animal puppet and give a 1-minute introduction.

11 Ocean Layers Tower

Show the ocean layers from top to bottom.

12 Treasure Chest

Make a treasure chest and fill it with ocean fact cards.

13 3D Ocean Map

Build a 3D map of the ocean and its landforms.

14 Aquarium from Recycled Materials

Use recycled materials to build your own aquarium.

15 Ocean Board Game

Design a board game about the ocean and its creatures.
