TEENBLOG: SPORT

Post about you and your sport here.

It's fun!

My sport is ... rugby! That's me in the photo. People think that rugby is for boys, but that's not true. More than 18,000 women and girls play rugby in England. My team always plays a match on Saturday or Sunday, and I usually go to practice games three times a week. It's hard work, but it's never boring! I'm 14 and I play for the U15s. That's the team for players under the age of 15.

When I'm older, I want to go to the rugby summer camp at Loughborough University. My favourite player, Fran Matthews, went there and now she plays for the England national rugby team.
