

The words I love you

***There are those who think that love comes
with a lifetime guarantee...***

***But we know from those around us that this
may not always be.***

*It's the simple things that come between a
father and a son...*

*But when they try to talk the knives are out
before they have begun.*

***Well that was me and I have seen the light
that shines for eternity...***

***Because I learned to say the words I love
you.***

*And this endless road that we are on just
keeps ongoing round...*

*But there's one destination that always is here
to be found*

So come with me

You will see

The light that shines for eternity..

*But strong and learn to say the words I love
you..*

The words I love you

The words I love you
