

The background features several flowing, ribbon-like shapes in shades of blue, purple, and magenta, set against a dark blue gradient. The ribbons have a slight texture and appear to be moving across the frame.

Animals & Insects

A male lion with a large, dark brown and black mane stands in a grassy field. The lion is facing right, looking slightly away from the camera. The background consists of green grass and some bare tree branches. Two white boxes with red borders contain the words "lion" and "tail" in black, italicized font. The "lion" box is positioned above the lion's head, and the "tail" box is positioned to the left of the lion's tail.

monkey

A large gorilla is the central focus of the image, sitting amidst dense, vibrant green foliage. The gorilla has dark, shaggy fur and a prominent white patch on its chest. It is looking slightly to the left of the frame with a neutral expression. The background is a soft-focus forest with various shades of green and some brown tree trunks. In the lower-left foreground, there are some out-of-focus green leaves. A yellow rectangular box with a thin black border is positioned to the left of the gorilla's head, containing the word 'gorilla' in a bold, italicized, black font.

A detailed image of a fish, likely a carp or similar species, shown in profile facing right. The fish has a prominent pattern of scales on its body. The background is a vibrant, abstract composition of blue, purple, and red wavy lines. Two red rectangular boxes with yellow text are overlaid on the image: one labeled 'fish' near the head and one labeled 'scales' on the body.
