B

Spark

3 I'm 15 and a rapper. I record my songs and put them online. I get lots of hits! But I live in the countryside and there are no gigs here. It's too far for me to travel to the city. What can I do to become famous?

A

Shona

2 Hi, I play in a band with some friends from school. The others aren't serious about music, but I am. Help! Do I stay with the band or find other musicians to play with?

C

Why not make a music video too? Then it doesn't matter where you live. Ask your parents or someone from school if it's okay, and they can show you how to do it. Then you can upload the video to a social network like YouTube or Instagram. That's how Shawn Mendes became famous

You already write and perform your own songs. Great! Next step: record an album using computer software and post it online. You don't need a record deal. College courses are a really useful way to learn how to do this, and can give you other ideas too. Ask at your school.

Music is an important part of your life. Stay with your friends for the moment but think about going to a music school. These schools teach music and everything you need to know about becoming a musician. Talk to your parents about it. Good luck!
