Hi everyone,

My name's Rodrigo and I come from Spain. I'm 14 years old and I go to school in Madrid. My favourite subjects are maths and science. I love all sports and I play football for my school.

In my free time after school, I play computer games or go out with my friends. At weekends we go to see a movie or go to a café for a drink. I don't watch much TV, but I listen to a lot of music. I also like to play the guitar and sing. What about you? What's your name? How old are you? What things do you like? What kind of things do you do at weekends? Write to me soon!
