

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world
Happy nation living in a happy nation
Where the people understand
And dream of the perfect man
A situation leading to sweet salvation
For the people for the good
For mankind brotherhood
I praise Allah for sending me you my love
You found me home and sail with me
And I'm here with you
Now let me let you know
You've opened my heart
I was always thinking that love was wrong
But everything was changed when you came along
For the rest of my life
I'll be with you
I'll stay by your side honest and true
Till the end of my time
I'll be loving you.. loving you
I've taken my bows
And my curtain calls
You brought me fame and fortune
And everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise

I consider it a challenge before
the human race
And I ain't gonna lose
And we mean to go on and on and on and on
We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World
When I get older I will be stronger
They'll call me freedom just like a waving flag
When I get older I will be stronger
They'll call me freedom just like a waving flag
So wave your flag, now wave your flag
Now wave your flag
When we all give the power
We all give the best
Every minute of an hour
Don't think about a rest
Then you all get the power
You all get the best
And everyone gives everything
And every song everybody sings
Live is life
Tonight, the super trouper lights are gonna find me
Shining like the sun (super trouper)
Smiling, having fun (super trouper)

Feeling like a number one
Tonight, the super troupers beams are gonna blind me (super troupers)
But I won't feel blue (super troupers)
Like I always do (super troupers)
'Cause somewhere in the crowd there's you
I see this life, like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told
I feel something so right
Doing the right thing
And I feel something so wrong
Doing the wrong thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive
Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"

پس بیا با هر زیون

بخون عاشقونه کنارم تو هم بخون

فریاد بزن بگو

دوست دارم

And this endless road that we are on just keeps ongoing round
But there's one destination that always is here to be found

So come with me

با من بیا

You will see

تو هم ببین

The light that shines for eternity

Be strong and learn to say the words I love you

فریاد بزن بگو

دوست دارم

The words I love you

دوست دارم

The words I love yo
