### 3

### Choose the Right Size

Tip: Make sure clothes fit well, not too loose or too tight.

Example: If your shirt is too big, it might look funny. Get one that fits just right.

### 2

### Add Layers

Tip: Add more clothes on top for extra style.

Example: Wear a jacket over a T-shirt to stay warm and look cool.

### 4

### Add Accessories

Tip: Use things like hats, belts, or jewelry to make your outfit special.

Example: A colorful hat can make a plain outfit look fun.

5

## Wear Comfortable Shoes

Tip: Choose shoes that are comfy for walking and playing.

Example: Sneakers are great for running and jumping.

6

## Mix Patterns Carefully

Tip: Don't wear too many different patterns at once.

Example: If your shirt has stripes, try to wear plain pants.

7

## Tuck In or Leave Out

Tip: Decide if you want to tuck your shirt into your pants or leave it out.

Example: Tuck in your shirt for a formal look, or leave it out for a casual look.

8

## Match with the Occasion

Tip: Pay attention to where you are going and what the dress code is.

Example: Wear a nice dress for party and comfy clothes for playing.

9

## Be Yourself, Keep it Clean and Smell Nice

Tip: Wear what makes you feel good. You don't need to buy expensive clothes, just make sure your clothes are clean and you smell nice.
