Materials in design

Stones

brick

The image features a large, circular, textured area in the center, resembling concrete or stone, set against a background that transitions from purple at the top to blue at the bottom. Several realistic water droplets of various sizes are scattered around the circular area, particularly at the top and bottom edges. The word "CONCRETE" is rendered in a bold, blocky, 3D font that appears to be made of concrete, with visible texture and shadows, giving it a realistic, heavy appearance. The letters are slightly weathered and uneven, enhancing the realistic effect.
