

SUMMER FESTIVAL UNDERWATER EXPLORATION

Creative Ideas to Build – Age 13+

1 MINI SUBMARINE

Build a mini submarine using plastic bottles, cardboard and paint. Add details like windows, propellers and lights!

2 UNDERWATER RESEARCH STATION

Design an underwater base where scientists can live and study. Use cardboard, paper and recycled materials.

3 ROV – REMOTE OPERATED UNDERWATER VEHICLE

Create an underwater robot that explores the deep sea. Use cardboard, motors (optional) and safe recycled parts.

4 CORAL REEF ECOSYSTEM

Build a beautiful coral reef model with sea creatures. Show the importance of protecting marine life.

5 DEEP SEA EXPLORER SUIT

Make a deep sea diving suit using cardboard, foil, bottles and creativity. Imagine you're an explorer!

6 OCEAN POLLUTION AWARENESS MODEL

Create a model showing ocean pollution and how we can stop it. Use creative materials and strong messages.

7 TREASURE CHEST FROM THE DEEP

Build a treasure chest filled with 'treasures' found in the ocean. Decorate it creatively!

8 GIANT SQUID OR SEA CREATURE

Design a giant sea creature using paper mache, cardboard or clay. Let your imagination dive deep!

9 UNDERWATER Lighthouse

Create an underwater lighthouse that guides submarines in the deep sea. Add lights for extra effect!

10 3D OCEAN LAYER MODEL

Show the different layers of the ocean and the creatures that live in each zone. Get creative!

★ Use recycled materials, be creative and think like real explorers!

EXPLORE. CREATE. INSPIRE.
