

A top-down view of various fresh vegetables including carrots, tomatoes, bell peppers, and leafy greens arranged around a central text graphic. The text 'World Food Day' is written in a mix of styles: 'World' and 'FOOD' are in a bold, hatched, sans-serif font, while 'day' is in a white cursive script. The text is framed by a white laurel wreath.

World
FOOD
day

Today is The World
Food Day.

The theme for World Food Day
2021 is :

We shouldn't waste food!

Food is a human right!

Let's be thankful and
celebrate the World Food
Day!
