Oh, that's Captain Formosa. He was very kind to me when I met him. He likes penguins.

I can see him! What's he doing?

LOOK! He's dancing!

Saturday 26th September

On Saturday, I went to my grandparents' house for a celebration. It was their golden wedding anniversary. They got married 50 years ago. That's a long time!

I went with my mum, dad and sister. My mum made a big cake for the celebration. I took my camera because I wanted to take lots of photos. We took some presents, too.

Before the celebration, I took some photos of my mum and my sister while they were putting up the decorations. Then I made a video using my camera while my grandparents were opening their presents.

We ate some delicious food for the celebration. We had popcorn, nut crêpes, and some fruit salad and pastries. After that, it was time for the anniversary cake. When I took a photo of it, my grandparents were blowing out the candles. Then we ate some cake. It was really tasty! My mum is good at baking cakes.

We played some family games in the afternoon and had lots of fun. Then we went for a walk in the park. It was a lovely day, and I think my grandparents really enjoyed their celebration.

I love celebrations. It's great to spend time with your family on special occasions!
